Notes:

1 The unaudited financial statements for the quarter & nine months ended December 31, 2018 have been taken on record by the Board of Directors at its meeting held on February 5th, 2019. The information presented above is extracted from the unaudited/audited standalone financial statements. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2 The Company had opted for CDR of its Debt in November, 2013. The CDR package was approved by the competent authority in June, 2014 and implemented by lenders in September, 2014. The credit facilities envisaged & sanctioned under CDR package were not fully released by the lenders which resulted in sub-optimum utilization of manufacturing facilities and the company could not complete one of its spinning project where substantial amount was already incurred. All this has led to adverse financial performance and erosion in net worth of the Company. Also the company has been facing cash flow mismatch and is not servicing debt obligations as per the terms of CDR package sanctioned earlier. However, despite all this, the manufacturing capacities are operational and running. The Company has requested its lenders for a second/deep restructuring of its debts. Considering the state of all manufacturing facilities of the Company, most modernized technology, skilled labor force, professional management and inherent viability of the Company, the lenders had in-principle agreed for second/deep restructuring of the debts. Pending discussions with the lenders, State Bank of India in its capacity as financial creditor has filed a petition on 12th October, 2017 under "Insolvency and Bankruptcy Code, 2016" (IBC) with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT). On 11th April, 2018, the NCLT vide its order of even date admitted the said petition and Corporate Insolvency Resolution Process (CIRP) has been initiated. Mr. Navneet Kumar Gupta having Registration No. IDDI/IPA-001/IP-P00001/2016-17/10009 was appointed as Interim Resolution Professional (IRP) vide order dt. 25th April, 2018 and the affairs, business and assets are being managed by the Interim Resolution Professional (IRP). The Company has preferred an appeal against the admission of petition and appointment of IRP with National Company Law Appellate Tribunal (NCLAT). The Corporate Insolvency Resolution Process (CIRP) has since been kept in abeyance vide order dt. 22nd June, 2018 of Hon'ble High Court of Punjab & Haryana. Accordingly, the Company has prepared these financial statements on the basis of going concern assumption. Due to non disbursement of credit facilities the Company had suffered operational losses as well as capital losses. Therefore, the Company has presented before the Adjudicating Authority counter claim & claim of set off against the banks.

3 The Company has only one Reportable Segment i.e. Textiles, hence Segment Reporting is not applicable.

- 4 The majority of secured lenders have stopped charging interest on borrowings, since the accounts of the Company have been categorized as Non Performing Asset. Further the Corporate Insolvency Resolution Process has been initiated under "Insolvency and Bankruptcy Code, 2016" (as referred in Note No. 2 above). In view of the above, the Company has stopped providing interest accrued and unpaid effective 1st April, 2016 in its books. The amount of such accrued and unpaid interest, calculated according to the CDR term, not provided for is estimated at Rs. 39,448 lakhs for the quarter & nine months ended December 31, 2018 and the same has not been considered for preparation of the financial statements for the quarter & nine months ended December 31, 2018. Due to non provision of the interest expense, net loss for the quarter & nine months ended December 31, 2018 is reduced by Rs. 39,448 lakhs. Further the Financial Liability is reduced by Rs. 129,434 lakhs and correspondingly the equity is increased by the same amount.
- 5 In pursuance of the assessment of the search conducted u/s 132(1) of the Income Act, 1961 completed on 30.01.17, the Department had raised demands aggregating to Rs. 28344.39 lakhs (which includes interest upto 30.01.17 and are further subject to penalty proceedings) by making some frivolous additions to the total income of the Company. The Company had filed the appeals against these additions before appropriate authorities and the Company is hopeful that it will get relief in appeal. Considering the facts of the matters, no provision is considered necessary by management with no additional tax liability.
- 6 During the quarter the Company has made an allowance/impairment for trade receivables and loans & advances aggregating to Rs. 10,305 lakhs in compliance of Ind AS 109 which is charged to Profit & Loss Statement as an exceptional item. Though the company strongly believes that these trade receivables and loans & advances are fully recoverable/adjustable.
- 7 The Company was implementing a Spinning project which got stuck due to non-disbursement of credit facilities by the Banks. However, post Corporate Insolvency Resolution Process (CIRP) the Company expects that the project would be completed. Therefore, impairment testing was not conducted.
- 8 With reference to interest subsidy receivable, the subsidies are to be released by Ministry of Textiles and MP Government and the Company is hopeful of receiving the same. Since the subsidies are not related to current period, the same does not have any impact on current period profits/losses of the Company.
- 9 Figures relating to the previous period have been regrouped/rearranged, wherever necessary to make them comparable with those of the current period.

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

1. *The company has not provided the provision of interest amounting to Rs 39,448 lakhs pertaining to nine months ended on 31st December, 2018 (Rs 13,613 lakhs pertaining to quarter ended on 31st December, 2018) on NPA classified bank borrowings which is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.*
2. *The company has not provided for any allowance under ECL Model for interest subsidy receivable amounting to Rs. 26,621 Lakhs which consists of interest subsidy (i) under TUFs from Ministry of Textiles and (ii) Subsidy under Textile Policy of Government of Madhya Pradesh for the financial years 2013-14 to 2016-17.*
3. *The company has not provided to us for our review any working regarding impairment testing being conducted to assess recoverable amount of Capital work in progress of Rs 16,960 lakhs*

outstanding as at 31st December, 2018. We are unable to comment on whether the company needs to make a provision in respect of impairment losses on above as required under Ind AS 36.

We further report that, except for the effects, if any, of the matters stated in paragraph (2&3) above which are not ascertainable, had the impact of our observations made in para (1) above, the net loss and borrowings for the quarter and nine months ended 31st December would have been increased by Rs. 13,613 lakhs and Rs. 39,448 lakhs respectively and the equity would have been reduced by the same amount. The financial impact of matters stated in paragraphs 2&3 to the Basis for Qualified Opinion can't be measured reliably.

Qualified Conclusion

Based on our review conducted as above, nothing *except the above observations* has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results read with notes thereon, prepared in accordance with Indian Accounting Standards as specified under section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

Note no. 2 of the *Standalone unaudited financial results*, stating thereto that the terms and conditions of the sanctioned CDR package w.r.t. interest and principal repayment were not complied with. Consequently, State Bank of India, in its capacity as financial creditor had filed a petition under Insolvency and Bankruptcy Code, 2016 (IBC) against the company with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT) which was admitted on 11th April 2018 and Corporate Insolvency Resolution Process (CIRP) has been initiated in terms of IBC. The company has filed an appeal against the admission of petition and appointment of IRP with NCLAT. The CIRP has since been kept in abeyance vide order dated 22.06.2018 of Hon'ble High Court of Punjab and Haryana. The company has incurred net loss of Rs. 4,534 lakhs and Rs. 13,013 lakhs for the quarter & nine months ending 31st December 2018 resulting into accumulated losses of Rs. 3,10,325 lakhs leading to erosion of entire net worth and current liabilities have exceeded the current assets of the company, Further concerning the company's ability to realize the value of inventories, trade receivables and other financial assets, meet its contractual/ financial obligations w.r.t. repayment of overdue principal and accrued interest on secured borrowings, arranging working capital for ensuring normal operations, further investments required towards ongoing projects under construction and the Corporate guarantee given on the behalf of its subsidiary namely SEL Textiles Limited. Moreover, the company has not recognized Deferred Tax assets and MAT credit as the availability of future taxable income is not certain. Due to financial constraints, the company has started job work operations in major spinning plants instead of pursuing its own manufacturing activities. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern and therefore company may be unable to realize its assets and discharge its liabilities in the normal course of business.

Emphasis of Matter

We draw attention to the following matters:

1. Note No. 6 of standalone unaudited financial results, the company has provided for allowance of Rs. 9,490 lakhs in respect of Trade Receivables under Expected credit losses for nine months ended on 31st December, 2018 (Rs. (3,037) lakhs pertaining to quarter ended 31st December, 2018) and also for impairment loss in respect of long outstanding Trade Advances given to suppliers of Rs. 815 Lakhs for nine months ended 31st December, 2018. (Rs. 795 for the quarter ended 31st December, 2018)
2. Contingency related to 'compensation payable in lieu of bank sacrifice,' the outcome of which is materially uncertain and cannot be determined currently.
3. Contingency relating to export incentives obligation refundable in respect of allowance for foreign trade receivables amounting Rs. 3,855 lakhs (as per audited financial statements at 31.03.2018), which is further subject to interest and penalties. Further, the amount of such obligation shall increase with allowance on trade receivable made during nine months ended 31st December, 2018, was not provided to us by the company.
4. Note No. 5 of standalone unaudited financial results in respect of contingency relating to Income Tax demands raised by the Income Tax Authorities amounting Rs 28,344 Lakhs for various matters, which is further subject to interest and penalties, the amount of such obligation cannot be measured with sufficient reliability. The company has filed the appeal with ITAT, Chandigarh and the matter is subjudice.

Our conclusion is not modified in respects of the matters reported in para (1 to 4) of Emphasis of matters.
